Last 21 pages a philosophical review
of life and memories, page 66.

These notes (pp 4872-a to 4872-e, appear to be part of a communication from LME to some doctor. The introductory part does not appear.

g

It must be said that in view of the his near approach to total blindness, the quality of Mr. Eatbrow's typing is remarkable. An expert typist with unimpaired vision could scarcely have done better.

Later notes. Subsequent pages dealing with trip to Argentina later in 1934 show that yeast must have returned,
